

TREE CITY TRIBUNE

a monthly newsletter

THANK YOU, CHICAGO!

After a thrilling time in The City of Broad Shoulders, including a yacht cruise on Lake Michigan, sightseeing from Willis Tower, and legendary deep dish pizza from Giordano's, we're excited to start the countdown to our 2028 Bias Family Reunion in Atlanta, The City of Trees! As we inch closer to July 2028, this monthly newsletter will highlight the sights, sounds, and attractions that await you!

HERE, THERE, AND EVERYWHERE

As we'll highlight in future issues, this Bias Family Reunion will feature the smallest geographical footprint yet! The host hotel, picnic venue, and most attractions are located within two adjacent sections of the city: **Downtown and Midtown**, so look forward to short walks, and quick rideshare and tour bus rides around town!

WELCOME TO ATLANTA

We're truly excited to welcome you back to Atlanta for the first time since 2010! Much has changed here since the last time we hosted, and we can't wait to showcase everything Atlanta has to offer, much of which is mere steps from our host hotel...which we'll highlight next issue!
